CRATE COLLECTION

DESIGN BY GERRIT RIETVELD

RELAUNCHED BY
RIETVELD ORIGINALS x HAY
SPRING 2023

The history of the original Crate Collection dates back to 1934, when the renowned Dutch architect and designer Gerrit Rietveld wanted to create modern, functional, and affordable furniture from surplus wooden crates.

Today's Crate Collection shares the same aesthetic strength and precisely balanced proportions, with its simplicity and spatial design mirroring the designer's harmonious architectural sense.
