

Hannes & Fritz's sketches of Weekday.

Weekday was inspired by a primitive bench built by the designers at a dinner party that they later modified and made into a collection of outdoor tables and benches.

WEEKDAY COLLECTION

DESIGN BY HANNES & FRITZ

HAY

Hannes & Fritz's Weekday Collection came about after a lack of seating at a dinner party prompted the designer duo to build a primitive solution, which later evolved into a collection of outdoor tables and benches.

Reminiscent of the classic picnic bench and table, Weekday offers the same sense of familiarity and invitation to shared eating experiences. Solid pine planks reinforce the strength of character and welcoming expression, while giving the furniture greater robustness and durability.
